OFFICE OF THE BISHOP

THE DIOCESE of BUFFALO A brief announcement relative to
the Diocese's bankruptcy:

For some time now, the Diocese
has been actively engaged in mediation with the Creditor's
Committee, which represents the interests of abuse
survivors. The Diocese's insurance carriers have also
participated in mediation as we work to establish a pool of
settlement funds to provide some measure of restitution
and, we pray, closure for survivors.

Any ultimate settlement will need to be funded by monetary
contributions sourced from across our Catholic community,
including from the Diocese, parishes, and other affiliated
Catholic entities, as well as from available insurance
assets. While confidential settlement discussions continue,
our Catholic community must remain steadfast in
supporting survivors and dedicating available resources to
their healing. To that end, the Diocese, in close
consultation with the priests who make up the parish
steering committee, is making a commitment that the
collective contribution of our Catholic community, not
including any insurance monies, will be at least \$100
million.

We recognize that honoring this commitment will be
challenging, but it is absolutely necessary that we do
everything in our power to set things right, to move beyond
this dark chapter in our history, and move forward as
together we work to rebuild and renew our Church.

We will keep you posted as more information becomes
available.
